Usage Instructions

1. Adjust Velcro in line with the outline given on the apparatus itself. Peel the Velcro in unison with its crescent patching.
2. Make sure items face the correct way as shown in the figure below when placed in the toter.
 - a. Razor: blade side up
 - b. Toothbrush: brush side up
 - c. Comb: spikes part down
 - d. Floss: indent (used for opening floss) must face upwards
 - e. Deodorant: Cap faces away from toothbrush

Maintenance Information

1. Clean all matinees often before inserting them, mold, endobacteria, or other substances may build up
 - a. **Do not use bleach or ammonia solution to clean**
 - b. Mix together warm water with dish soap, gently scrub the inside of the toter with a soft cloth to clean
2. Avoid leaving water trapped inside the toter, this will discolor the inside of the toter and cause mold to build up
3. After the razor is done being used, soak blade in alcohol solution if available. This will prolong blade life by removing water and hair particles from the blades while in storage.
4. Comb can be cleaned with alcohol solution *or* with dish soap and warm water solution.
