

Driving directions from Olympic High School to the Bioinformatics Bldg on the UNC Charlotte campus

---

1. Go North on Sandy Porter Rd towards Williams Glenn Rd
2. Turn L onto Shopton Rd
3. Take the 3<sup>rd</sup> L onto Steel Freek Rd
4. Merge onto I-485N toward Spartanburg (4.8mi)
5. Take the I-85N exit (10A) towards Greensboro and merge onto I-85N (14mi)
6. Take exit 45A, which is the West WT Harris Blvd exit.
7. Take the first Left onto JW Clay Drive (if you can't get over that fast take a Left on Tryon, the third set of lights).
8. Follow JW Clay around to the light and continue straight – this brings you to a University CRI visitor parking deck that is about 2 blocks from the Bioinformatics Bldg (68 below) which is on Institute Circle– see the map below.
9. The Bioinformatics Department office is on the third floor, Dr. Weller's office is 353 on that floor.
